

Rules of procedure

These rules apply within Jytorps green area including bathing area managed by Jytatorp as well as paths in the immediate vicinity of the area.

Water in Jytorp

Use water with judgement and follow the recommendations at www.vivab.info/vattensmart avoid watering during drought. Make sure there is enough water for everyone. The association's water tank holds 1000-1500 liter depending on the inflow. At the annual meeting 2004 it was decided that it is not allowed to use our common water for private hot tubs or similar that exceed 300 liters of water. Due to water protection area, car washing is not allowed www.vivab.info/vattenskydd

See information on the notice boards by the valley and by the mailboxes at the height for possible irrigation ban.

Fire

Burning always takes place at your own risk and under your own responsibility. Consider the risk of fire in the event of drought.

Information about current fire risk can be found on the rescue service west's website www.rvast.se or get information by phone 010-2193000.

Two weeks before the clearing day, branches and twigs may be laid on the association's fireplace.

In connection with tree felling and bush cleaning on own property or area directly adjacent to it, the waste may be stored on own property until burning takes places on general clearing days. Piles must not be collected in a public place.

Sauna and the beach

The sauna may only be used by the property owners and their personal guests. Not by temporary tenants.

Everyone who uses the sauna must bring fuel/firewood to the unit. The sauna must be thoroughly cleaned after use according to on-site well-being rules. The sauna cannot be booked. Do not give out the code for the sauna.

Boats

The boats must be moored at the designated berth. The mooring must be such that there is free passage to all the boats. During the winter, all boats will be parked in the designated place above the path at the moorings.

Dogs

Dogs can swim by the boats but not by the pier when there are families bathing by the lake.

Dogs are not allowed to be unleashed from March 1st to August 20th. The stools after the dogs must be picked up from the area's roads, paths, and the bathing place.

Fishing

It is not allowed to fish from the bridge when bathers use it.

Fishing license is required to fish in Mäsen. Fishing license can be purchased at the gas station in Karl -Gustav, use swish for payment. Children under the age of 15 do not need a fishing license.

Other important information

Do not litter in nature, bring your trash home.

No public parking in "Dalen".

The area's common tools, such as lawn mowers, must be cleaned up after use.

Yours sincerely,

The boards of Jytatorps's road association.
